

Discovery California Rolling Rally Up the Oregon Coast

September 4-15, 2018

Last year 13 Discovery motorhomes journeyed on a rolling rally to the Albuquerque Balloon Fiesta. We had so much fun that we put together another trip heading to Astoria, Oregon. There are so many things to do and see along this adventure, that it was difficult to narrow down the activities. We selected many highlights, but as with any rally, you can choose what you would like to do.

This scenic tour starts in the forests of the Giant Redwoods. We continue our journey along the rugged beauty of the Oregon coastline. We will visit amazing sites like Avenue of the Giants, Jet Boat up the Rogue River, Shores Acres Gardens, Oregon Dunes, Lighthouses galore, all the way to Astoria, the oldest American settlement west of the Rockies. Most of all, enjoy the spectacular scenery!

If you decide to join us, please let me know with your name, size of rig, and are you a Good Sam member. Please call and make your own reservations at Honey Bear By the Sea RV Resort, The Mill Casino RV Park, and Port of Newport RV Park. These parks fill up **FAST** and reservations need to be made right away. For the first 10 rigs that sign up, I made reservations for Ancient Redwoods RV Park and Lewis & Clark Golf & RV Resort. You still need to call Lewis & Clark RV Resort to let them know size of RV, name, and departure date.
