

DISCOVERY CALIFORNIA

Rolling Rally to Albuquerque Balloon Fiesta

October 2 - 15, 2017

Discovery California will be having a Rolling Rally to the Albuquerque Balloon Fiesta starting in Laughlin, NV and ending in Wickenburg, AZ. Journey with us to the annual tradition of the largest and most photographed ballooning event in the world. 2 weeks of fun and adventure with other Discovery owners.

Highlights of the Journey

- **Laughlin, NV** - Just across the river and up the hill from Laughlin is the historic ghost town of **Oatman**. Wild burros walking the streets and costumed gunfighters perform daily in the middle of main street. Come a day early to enjoy this adventure on Oct. 2.
- **Winslow, AZ** - "Standing on the corner of Winslow, Arizona" is what we will do.
- **Cornville, AZ** - Spend a day in Sedona just 10 miles from Cornville. Sights to see are Chapel of the Holy Cross, Crescent Moon Picnic Area, Bell Rock, Cathedral Rock and more. It's a spiritual place!
- **Sky City RV Park, NM**- The RV Park offers many amenities including a free shuttle to the Sky City Casino. Acoma Pueblo is a favorite Route 66 attraction. It is an Indian village on top of a mesa.
- **Albuquerque, NM**- Old Downtown, Sandia Peak, Acoma Pueblo, Turquoise Museum
- **Mesilla, NM** - Old Mesilla, Hatch the Chili Capital, Roberto's Mexican Food in Las Cruces
- **Tombstone, AZ**- Jeep tours, Bird Cage Theatre, Boothill Graveyard
- **Wickenburg, AZ** - Walk the downtown area in search of rattlesnakes, gila monsters, tarantulas and road runners. Visit Desert Caballeros Western Museum.
- Just a few things to do during this trip. If you have any other suggestions, please let us know.
