

MUST DO

1. Every 6 Months
 - a. Open Emergency Escape window
 - b. Liberally spray rubber seals with silicon spray
 - c. Fabricate a stick to prop open window – make sure it won't slip if bumped during egress
 - d. KNOW how you are going to get out and to the ground with NO or minimum injury
2. PRACTICE Egress
3. BEFORE disconnecting a battery
 - a. Draw a diagram of the connections
 - b. Label each cable end (use colored electrical tape)
 - c. Take a photo of the battery bank
4. After connecting shore water, open spigot slowly & gently to preclude over-pressuring inside connections
 - d. Turn shore power breaker(s) off BEFORE connecting electric
 - e. Weigh your coach
 - f. Axles
 - g. Corners
 - h. Total (full fuel, water)
 - i. Total with towed (for gross combined weight)
5. NEVER, try to get coach unstuck by applying full power in revers – will damage rear differential. Better: Don't take it off a hard surface.

MUST HAVE

1. First Aid Kit
2. Tire Monitor System - Temp/Pressure
3. Surge guard electrical monitor
4. Battery Minder to fill Batteries
5. Air hose to fill tires (make sure long enough to reach)
6. TWO water hoses (and Y connector)
 - a. One for Fresh
 - b. One to rinse black water tank
7. Adjustable Water Pressure gauge for park water
8. Brush on extension pole to wash windshield or other things
9. Folding Ladder
10. Measurement/Trouble Shooting
 - a. Air Pressure Gage
 - b. 12 Volt Test Light
11. GPS System
12. Cell Phone, preferably with hotspot
13. RV Thumb Drive (Can also use Cloud)
14. Tool Chest
 - a. 1/4, 3/8, 1/2 "Drive Socket Sets
 - b. Small & Large Adjustable Wrench
 - c. Channel Locks
 - d. Breaker Bar/Pry Bar

- e. Various Screw Drivers
 - f. Need Nose Pliers
 - g. Heavy Cutting Pliers
 - h. Allen Set
 - i. Various Wrenches
 - j. Hammer, Small and Large
 - k. Utility Knife
 - l. File & Sand Paper
 - m. Drill Bits
 - n. Cordless Screw Gun (14, 18, or 20 volts) – depends on preference
15. Assortment of fuses, screws, bulbs, wire nuts, electrical tape, duct tape, paper clips
 16. Crazy Glue and/or Gorilla Glue
 17. Good Flashlights
 18. WD40, Silicon spray, dielectric grease
 19. Tube of clear caulk
